Central Intelligence Agency

Washington, D.C. 20505

4 February 2013

Mr. Anthony John Ramirez, Jr.

(b)(6)

Reference: F-2013-00613

Dear Mr. Ramirez:

On 23 January 2013, the office of the Information and Privacy Coordinator received your 23 January 2013 Freedom of Information Act (FOIA) request for records on:

County Law Sheriffs with the subject(s) or Personal Psychiatric Intelligence in Maywood, Illinois as clearly and specifically pertaining to Cook County Sheriff Office of Property #60640 megpossible.

Please note, the mission of the Central Intelligence Agency is primarily concerned with foreign intelligence -- not domestic -- matters. Section 103 (d)(1) of the National Security Act, as amended, specifically provides that "the Agency shall have no police, subpoena, law-enforcement powers, or internal security functions." Executive Order 12333, which regulates the conduct of intelligence activities in the United States and elsewhere, provides that the responsibility for domestic intelligence collection is generally within the province of the Federal Bureau of Investigation. A very limited exception to the Order is provided that permits other agencies within the Intelligence Community to collect significant foreign intelligence and counterintelligence, provided that no such effort shall be undertaken for the purpose of acquiring information about the domestic activities of United States persons. Therefore, we must decline to process your request.

Sincerely,

Michele Meeks
Information and Privacy Coordinator
